

## CONNECTIVITY, SERVICE BUREAUS AND OTHER ACCESS SERVICES

### ORDER FORM

Please complete this Order Form and return it, via post or email, to:

BATS Trading Limited  
 (trading under the name of BATS Chi-X Europe)  
 6<sup>th</sup> floor, 10 Lower Thames Street,  
 London  
 EC3R 6AF, UK

Email: [NOCEurope@batstrading.com](mailto:NOCEurope@batstrading.com)

**Recipient Information:**

Company Name:	
Registered Number:	
Address of Recipient:	
Status: (Tick as appropriate)	<input type="checkbox"/> Participant <input type="checkbox"/> Market Data Vendor <input type="checkbox"/> Service Bureau or other equivalent service provider <input type="checkbox"/> Extranet provider

**Description of Services:**

(Tick as appropriate):

- Service name and description:* Switch Port Access - Physical network port at BATS Chi-X Europe demarcation (this applies by default to Participants and Market Data Vendors)
  
- Service name and description:* BATS MTF Access – Access by the Recipient to the BATS multilateral trading facility (MTF) for and on behalf of trading participants (this applies by default to Service Bureaus)
  
- Service name and description:* Network connectivity/Extranet – Access to the BATS MTF to provide third parties with access to BATS and/or data feeds (this applies by default to Extranet providers)

For Extranet providers, BATS MTF may be accessed to: (1) receive the BATS Multicast feed (the “**Feed**”) and to distribute the Feed to Authorised Third Parties; and (2) provide an Authorised Third Party with network connectivity services in order to access or receive information from the BATS MTF. An **Authorised Third Party** is a party that: (1) has entered into an effective and current participant agreement and/or market data recipient

agreement with BATS; and (2) BATS has approved to connect to BATS via connectivity supplied by Recipient or to receive BATS data transmitted through the Recipient. In order for a party to be approved, the Recipient must submit a request to BATS at [NOCEurope@batstrading.com](mailto:NOCEurope@batstrading.com) that includes the name and contact information of the party to whom connectivity will be provided. BATS will typically approve or reject a request within two (2) business days, but is under no obligation to respond within that time frame. Where a request is rejected by BATS, the Recipient may not provide the applicable party with connectivity to BATS. The Recipient shall maintain, keep current, and provide to BATS upon request, a list of Authorised Third Parties to whom Provider provides either or both of the services under (1) and (2) above.

**Pricing and Service details:**

Prices are as shown in the attached price list and at <http://www.batstrading.co.uk/support/>

BATS Europe will pass-through all data centre cross connect charges to the Recipient, which are subject to minimum term of the relevant Services. All prices quoted are GBP and are exclusive of VAT.

\* \* \*

This Order Form is made between BATS and the Recipient and is governed by the connectivity, service bureaus and other access services standard terms & conditions (the "CA Terms"), as applicable from time to time and available at the following webpage:

[http://www.batstrading.co.uk/resources/participant\\_resources/BTL-Standard\\_Terms\\_and\\_Conditions.pdf](http://www.batstrading.co.uk/resources/participant_resources/BTL-Standard_Terms_and_Conditions.pdf).

The Recipient confirms that it has read and understood the CA Terms and this Order Form and accepts to be bound by them.
